

"Finger-picking good!"

-Kaoru Sato, guitarist of Deathline, Weird Sex

"Just down the road in Oakland, singer-songwriter James Meder with his voice like a rich red wine tells nostalgic tales with his guitar. His 'Quiet Little Song' asks, 'might you need a hand, a shoulder or this quiet little song? It might last you all night long, would that be so wrong?' Sounds quite nice."

-Monterey County Weekly

"...like the second coming of Nick Drake!"

-Nic Loren Eberstein, Singer/Songwriter aka King Awkward
